

**Seminar:** ESD-45  
**Date:** 25.-26.10.2018  
**Place:** Medical Competence Centre, Wendisch Rietz, Germany

**Trainer:** PD Dr. med. Axel Eickhoff

**How did you experience the course?**

“Excellent course, relevant to current practice. Probably need more experience before the course and of course practice after”

**Elliot L. Tash, UK**

“Definately, I could improve my ESD skills! I hope I can come back one day again! Thank you!”

**Renata Nobre Moura, Sau Paulo/ Brasil**

“I like the course, a lot of time to practice, maybe it would be better to have more Proffesors to have time to keep stay with you.”

**Carolina Gutierrez, San Jose/ Costa Rica**

“I enjoyed very much, it was very useful learning experience, we had good time to spend in the hands on.”

**Manfred Aguilar**

---

“I really be commend it!!”

**Rafael Castillo Pinto/ Brasil**

---

“Ich habe viel gelernt in kurzer Zeit und die internationale Atmosphäre hat mir gut gefallen.”

**Christoph Wellmann, Düsseldorf**

---

“A brilliant opportunity for hands-on training. Should be included in any surgical training.”

**Birgit Dinnewitzer, Salzburg**

---

“The course was extremely interactive, the organisation excellent and the instructors very nice and competent.”

**Wolfgang Tillinger, Wien**

---

“Very pleased with the course but theory may be a little to superficial.”

**Thomas Billiet, Brugge**

---

“I like it very well. It was good start for performing ESD in the future”

**Artautas Mickevicius, Vilnius, Lithuania**

---

„I enjoyed it very much. I really liked the way the staff cared for the animals. I would have liked to have more „coaching“ at the work station. I felt i was left on my own and as a beginner, that is very hard.

**Karin Nyborg, Karlskoga, Sweden**
